Past Events

Cleanup Day for Cowboy Shoot

January Third Thursday Workday:

"Special thanks" goes out to Nemecio Chavez, Bill Madden, Pat Dunnahoo, Jim Bohn, Allen Altgilbers, and Cindy Pollock for cleaning up the bays and the range for the Cowboy Shoot. It was cold and windy but these PGC members did a great job. The City workers came out the previous Thursday and cleaned out all the bays so they were in pretty good shape. PGC would like to thank Ray Reta's crew: Gonzo Rosales, Max Baldomero Garcia, and Rosa Marina Diaz for all their hard work. The North Parks crew came out to the range

during our cowboy cleanup and cleaned up the other ranges. Baldomero Garcia and Rosa Marina Diaz have taken over for Richard De La O who did an outstanding job cleaning the range for the last three years. We will miss Richard, but Baldomero and Rosa are doing a good job. The flagpole is now fixed thanks to Pete Rios's construction crew, Richard Pastran and George Madrid. They also put in the chimney for the wood stove. We now have heat in the meeting room. The air conditioner will be put in next and hopefully the porta-potty will be repaired soon. As most of you know Carlos Madrid has retired and will be missed. He did a fantastic job of maintaining and improving the range. PGC will be working with Ray Reta and Pete Rios. The shooting community is very lucky to have Ray and Pete who both supported improvements on the range.

NO February Third Thursday Work Day

Next work day will be the third Thursday, March 19th

Annual Cowboy Shoot:

This year's shoot was WET and COLD!! Friday's events had to be cancelled. Mark Aguirre, Pete Hansen, Jim Mott, Doc Baker, Bill Madden, Pat Dunnahoo, and the rest or the cowboys did a great job setting up a first class cowboy shoot despite the weather. The props included a coffin with a skeleton and Doc Baker's office.

The 4-H-ers were troopers working at the bays, prepared great lunches, and a fantastic Saturday Steak Dinner. They did a bang up job. It is one of PGC's best events and brings in people from all over. If you would like more information, log on to www.picachoposse.com.
