News Report on the Monthly Metal Silhouette Match held on 7/4/2010. Report submitted by Todd Bensley. There were 5 shooters in 4 events. SBRMS Match winner was Garrett Bensley with a 7, followed by Kyle Bensley with a 5. Wind was a factor on most relays. We enjoyed the opening shot of the match from Lowell's Brass Cannon firing a golf ball to celebrate Independence Day.

We typically finished shooting the match and targets are picked up by noon. It makes a nice Sunday morning shooting

*and social event followed by lunch.
Bring a friend; next match is on August
1st.*

I would like to thank David Noble for last
month's speaker from the Las Cruces
area Medical Evacuation group. He was
very informative and willing to listen to
all of our questions and give informative
answers to them. Thanks again for a
great speaker.

Speaker for July 8, 2010 Meeting:

Mesilla Valley Shotgun Sports, Inc.
(MVSS) is currently in the process of
developing a shotgun range within the
Butterfield Trail Shooting Range. The
construction is expected to encompass
a fenced-in trap and skeet field with
permanently installed traps, parking,
lights and eventually a club/range
building. Members of the Picacho Gun
Club should be keenly interested in this
construction project and the

management of the shotgun range.
MVSS intends to oversee the
development, operation and
maintenance of the range. John Moen
has been involved with this project from
its inception, understands the funding
considerations, the construction plans
and has agreed to speak to our
membership concerning the physical
layout for the range as well as MVSS
operating plans. Please set aside the
evening of July 8, 2010 to hear and
discuss this major shooting project.

Speaker for August Meeting:

On August 12th our meeting will include
a presentation by John Limpke of the
U.S. Border Patrol. Mr. Limpke will
address some of the activities and
concerns of the Border Patrol in this
area, as well as current technology,
weapons and personnel training utilized.
This should be a presentation of interest
to all members, so please put the date
on the calendar to attend the august
meeting.

Hope All Had A Great Fourth Of July!
