**Speaker for August 12, 2010 Meeting**

The program will include a presentation by Mr. John Limpke of the U.S. Border Patrol. Agent Limpke will address some of the activities and concerns of the Border Patrol in this area. In addition to his discussion of current technology, personnel training and weapons utilized, Agent Limpke will bring along his K9 companion and will discuss their value in border patrol. This should be a presentation of interest to all members, so please put the August 12<sup>th</sup> date on your calendar and plan to attend the PGC meeting.

News from Coralie Carrier:

While at the grocery store, I picked up a free magazine called, "forever young the joy of life after 50", because it had an article on the Senior Olympics. And, WOW, there on page 33 was a photo of Charles and Maryjo Cammack with their air guns ... way to go Charles and

Maryjo! And congratulations to all PGC members who participated in air rifle and air pistol ... they won a pile of medals! And a big congrats and tip of the old sombrero to Cindy. Once again she came through with flying colors coordinating the scoring and stat office. Thanks to all our folks who scored and checked and did everything to make the events run smoothly and on track.

See everyone at the meeting on the 12th!

Enjoy great shooting during August!!
