For the Jan. newsletter

Hope everyone's holidays were merry and bright and may 2011 be the best ever for you and yours!

In January, our club will exercise that oldest and most democratic tradition - election of officers. Please plan to attend and have your say in who will lead the club in the coming year. If you would like to step forward and volunteer, send me an email and we will put you on the ballot .... if you have an idea of who might be great in any job, also send me an email and I'll contact them.

See you on the 13th..... and the 13th is also Ed Carrier's birthday.... don't forget to wish him many more!

**HAPPY BIRTHDAY ED CARRIER !!!!!!!**

**BEST WISHES AND MANY MORE TO COME!**

Hello,

I am a new resident to this area, and an NRA Member. I live out on East Mesa by the San Augustine Pass off Rt 70, on the other side of Organ. I own several guns, have been a member of a gun club in N.Y.C., trained in safe shooting as a former US Special Agent, and am interested in getting a Concealed Carry. I also have been involved in various Not For Profit Orgs,

with knowledge of IRC 501(c)(3) as an accountant.

I have been on your site, and your club looks interesting. Would it be possible to get an invitation to attend a monthly meeting prior to joining?

Thanks,

Al Cella

Howdy All,

There will be an RO II course conducted at the SASS office on Saturday, January 29<sup>th</sup> starting at 9:00 AM.

We'll break for lunch around noon and weather permitting we will do the range portion at the Ranch, starting at 1:30.

Please respond to [wildshot@sassnet.com](mailto:wildshot@sassnet.com) with the subject line RO Course 29<sup>th</sup> if you plan on attending, so we can prepare adequate course materials.

You must already have passed the RO I course before you can take the ROII.

The fee for the course is \$25 payable at the class.

If you are currently an RO II and want to sit in as a refresher, there is no charge.

See ya there.

Sorry these are late but sometimes the

information comes in just after I have sent the e-mails.

Thank you for your submittals Todd. I know things might not go as smooth as we would like but sometimes there are glitches in the systems that cause incontinences to all email transfers. I really am glad to have all results to show what is happening in our Picacho Gun Club.

Please any newcomers feel free to join any of the shooting events. They are open to all and are a good way to get to know our members and our way of doing things.
