## Upcoming

### May 10, 2012

#### **Patio Party:**

Instead of our regular meeting we will be having our annual patio party on May 10 (Thursday) at 7:00 p.m. PGC will be serving appetizers and desserts, thanks to all our great cooks. This has been a big hit in past years. There is no advance sign up and everyone can use smaller plates and get new ones as needed. Drinks will be provided by PGC. The Patio Party is a chance to bring family and guests and just enjoy being together. If you would like to bring an appetizer or dessert please let Cindy know (home phone # 522-3180, cell # 644-1579 or e-mail rteach25@comcast.net) so we can be sure to have enough treats. Or just bring it to the party. Please bring folding chairs for you and your guests.

#### **Speaker for the June 14th Meeting:**

As noted above our meeting for the month of May will be the annual patio party starting at 7:00 PM on the regular meeting night, May 10th. Accordingly, we will not have a speaker.

HOWEVER---MAKE ARRANGEMENTS TO ATTEND THE JUNE MEETING!!

In October, 2010 we had as a speaker, Dan Carkozy, a special agent with the Federal Bureau of Investigation. In addition to working violent crime for the Bureau, Dan has been heavily involved with ammunition and weapons testing, and is an FBI certified weapons training instructor. His power point presentation on the reliability and effectiveness of both firearms and ammunition was absolutely outstanding, and his knowledge of firearms is extensive. Never before have we had as many requests for a repeat speaker.

Well, he'll be back for the June meeting with a new subject. Dan was deployed by the federal government to Afghanistan as a trainer (and consultant?) to our military, and while there was actively involved in firefights and the evaluation of weapons and ammunition. He will do a presentation on that experience. Additionally, as before, I believe he will bring along a number of specialized firearms for show and tell.

Those of us who attended his last presentation, know that this will be a wonderful opportunity to hear a uniquely knowledgeable and interesting speaker. Get there early to get a seat.

# Range News

## **Range Workdays:**

"A BIG THANK YOU" goes out to the volunteers who have been working at the range. The covered range walls have been patched and the painting has started. The city has volunteered to paint if needed. They have already painted the ADA restroom at the action pistol range and are working on putting a new roof on the small storage building. Next step is to patch and repaint the stucco or put siding on the little building. Joe Coppolo and Art Harvey painted the benches, and Joe will be replacing the two worst tops. The cooler is up and running in the classroom thanks to Jim Radel. Jim had to reattach the copper waterline, work on both the pump and the motor, as well as clean out all the dirt. This was not an easy job. PGC really appreciates all the volunteers who have been working on the range.

## **2012 Range Work Projects:**

1. Patch and repaint the small storage building. Work in progress.
2. Clean up the back of the building. More plastic was uncovered when the dirt was needed to level the ground before the gravel was put down.
3. Dirt needs to be blown off the gravel around the new patio tables. Cindy has a leaf blower that can be borrowed.
4. Finish up the restroom walls. Work in progress.
5. Help clean the range.

## **Note:**

Many of our projects take more than one day and require working on other days besides Thursday. If you would like to help with projects this year, please contact Joe 649-6011, e-mail: [gunsmithjoe@hotmail.com](mailto:gunsmithjoe@hotmail.com), and give him your contact information.

## **2012 Senior Olympic Competition:**

This year we had 33 rifle shooters and 44 pistol shooters with many competing in all four events, pistol support/standing and rifle support/standing. The shooters ages ranged from 50 to 92 and we had more women and beginners than in past years. PGC can be proud of the members that participated. No records were broken but lots of medals were won by our members. SO was very fortunate to be allowed to use the Eagles' ballroom this year. It is a super facility with excellent restrooms. We have been invited back next year. If you know an Eagle please thank them. This year we had new target stands, thanks to Mac. They can be adjusted to either the supported or standing position. This is a much better set up.

We were also very fortunate to have a new lighting system thanks to Bill Story contacting CED Consolidated Electrical Distributors who donated 12 lights so that each shooter had equal lighting. This has been a problem in the past, especially at the state.

We also had great volunteers this year. Set up was no problem thanks to Mac, Bill, Cindy, Steve Olimb, Steve Pollock, Glen Via, and Terry Collins. SO had great scorers and stat. people: Coralie and Ed Carrier, Steve Pollock, Bob and Alice Distlehorst, David Noble, Doug Brown, and Takeshi Miyake.

Clean up was easy since everyone shooting the last relay jump in and helped.

If you are a senior why not join us next year? The SO airgun competition is a lot of fun and we have a great place to practice thanks to Strykers Shooting World.

## Guns and the Law

### Wisconsin

“On April 20, Wisconsin's Department of Justice reached an important milestone, issuing its 100,000th concealed carry permit. After only six months, this record-breaking number of applications and licenses demonstrate the demand for these permits and the success of this program in Wisconsin.”
