August 2012

Upcoming

Speaker for the August 9 Meeting:

Our program on August 9 will be a presentation by Colonel Jesse Jacobs, USAF (retired). Colonel Jacobs has had an incredible career as a pilot during two tours of combat, and during his 19 years as a test pilot and director of test forces. In 1945 Jesse flew B-17's recording 28 combat missions over Europe. During the Korean conflict he flew 109 combat missions in F-80's and 12 combat missions in C-46's and C-47s. After the Korean Conflict, Jesse was assigned to the Empire Test Pilot School in England. During his 48 years in aerospace (including 16 years with the Boeing Company) Jesse logged more than 10,600 flight hours in **over 100 different types, models and series of aircraft**. Jesse's awards include the Legion of Merit, Distinguished Flying Cross, Airmen's Medal, Air Medal with 11 oak leaf clusters, and the Air Force Commendation Medal. Jesse is a Fellow in the Society of Experimental Test Pilots and has served as their president.

We are fortunate to have Colonel Jacobs as a speaker. This will be an opportunity to hear and to participate in a first-hand discussion of the history of military combat aircraft during the last 67 years! So, please set aside the evening of August 9 and attend the August meeting.

Range News

2012 Range Work Projects:

1. Patch and repaint the small storage building. (Work in progress.)
2. Clean up the back of the building. (More plastic was uncovered when the dirt was needed to level the ground before the gravel was put down.)
3. Dirt needs to be blown off the gravel around the new patio tables. (Cindy has a leaf blower that can be borrowed.)
4. Finish up the restroom walls. (Work in progress.)
5. Help clean the range.

Many of our projects take more than one day and require working on other days besides Thursday. If you would like to help with projects this year, please contact Joe and give him your contact information. Joe Coppolo 649-6011, e-mail gunsmithjoe@hotmail.com.

PGC really appreciates all the volunteers who have been working on the range.

Guns in the News

International

“The Conference on the United Nations Arms Trade Treaty (U.N. ATT) has broken down and will not report a draft treaty to the member nations. This is a big victory for American gun owners, and the NRA is being widely credited for killing the U.N. ATT.”
