SASS:

All of our guys did well at the “World Championship” held in Edgewood, west of Albuquerque. They will tell us about it at the meeting.

Bull's eye:

We traded the bees for wind today. Had to tie two sand bags to my feet so I didn't blow away. We lost a couple of the skinny guys.

After some discussion after repairing the target boards some of us decided to go ahead and shoot in the 15-20 mph wind. Four shooters went home and nine stayed in the wind. I'm still trying to decide who were the wisest.
